

**GEOLOGICAL SAMPLING PROGRAM
APPROVAL APPLICATION
(Programs without Field Work)**

Company/Institution: _____

Requesting access to sample for one of the following (Check one):

- Academic Government Industry

Type of proof provided (Check one):

- Employee Card Student Card Letter of Permission

Objective(s) of Study:

Type of Work (Check one)

- Exclusive Non-Exclusive Other:

Program Area (Geographic description including applicable lands):

Program Commence Date: _____ **Program Completion Date:** _____

Product(s) to be generated (reports and other materials produced as result of the study including microfossil, palynology and thin sections, slides, etc.)

Sampling Well Materials (If applicable):

Materials requested (Well(s), interval, sample types, and sizes, etc. *Attach additional pages if needed.*)

The undersigned hereby agrees with the conditions of approval set out below and assumes full responsibility for accurate identification and timely return of materials and the submission of reports.

APPROVAL

Pursuant to the *Canada-Nova Scotia Offshore Petroleum Resources Accord Implementation Act*¹ and *Canada-Nova Scotia Offshore Petroleum Resources Accord Implementation (Nova Scotia) Act*², respectively, the Applicant named in the Application is hereby approved to conduct the described program subject to the following conditions;

1. No change in the program hereby approved may be made unless it is first approved by the Supervisor, Geoscience Research Centre in writing;
2. This Approval is issued to the above-named Applicant and cannot be transferred or assigned;
3. The Applicant or Study Supervisor shall pay any applicable Cost Recovery fees related to this approval in accordance with the Canada-Nova Scotia Offshore Petroleum Cost Recovery Regulations;
4. The Board reserves the right, effective upon written notice to Applicant, to revise, waive, or add any term or condition during this time this Approval is in effect;
5. Supply of CNSOPB well materials is adequate to preclude significant depletion (at discretion of the Supervisor, Geoscience Research Centre);
6. Provision to CNSOPB of results of study within one year of the program completion date stated on the Application form, 1 hard copy and 1 digital copy (CD);
7. Provision to CNSOPB of original or duplicate set of palynological, micropaleontological or sedimentological slides if prepared as part of study;
8. Return of all unused materials to CNSOPB Geoscience Research Centre; and
9. The Applicant shall comply with the CNSOPB *Geophysical, Geological, Geotechnical and Environmental Program Guidelines, January 2015*.
